General Terms and Conditions (GTC) for Work Execution

1. Work Timing & Noise Restrictions

- Work shall be conducted Monday to Friday during official working hours.
- No excessive noise shall be made during working hours to prevent disturbances to patients.
- Breakage-related plumbing work shall be carried out only on weekends (Saturday & Sunday) with prior approval.

2. Responsibility for Damages

- The contractor shall be fully responsible for repairing or replacing any materials, structures, or property damaged during plumbing work at their own cost.
- Repairs must restore materials to their original quality and quantity.
- Special care must be taken when performing toilet plumbing work to prevent damage to surrounding structures.

3. Compliance with Government Norms

- The work must strictly comply with Indian Council of Medical Research (ICMR) guidelines and other applicable government norms.
- All materials used must conform to BIS (Bureau of Indian Standards) and receive prior approval from the designated authority before installation.

4. Safety & Worker Protection

- The contractor is fully responsible for ensuring worker safety at the site.
- In case of any accident or injury, the contractor shall bear all medical expenses and compensation as per labor laws and regulations.
- Proper safety measures must be implemented to prevent workplace accidents.

5. Cleanliness & Site Maintenance

- The work area shall be kept clean and debris-free during and after daily work.
- All waste materials shall be disposed of responsibly in accordance with environmental guidelines, as instructed by the in-charge.

6. Approval & Supervision

- The work shall be carried out under the supervision of a designated government official/engineer.
- Any modifications or deviations from the approved plan require prior written approval.
- All clarifications related to Scope of Work (SOW)/Special Terms & Conditions (STC) must be addressed to the in-charge before seeking work permission and plan approval.

7. Completion & Handover

- The work must be completed within the stipulated timeframe without unnecessary delays.
- A final inspection and approval shall be conducted before handover.
- A one-year manufacturer's warranty shall apply to the completed work.

8. Legal & Contractual Obligations

- The contractor must comply with all applicable labour laws, environmental regulations, and contractual terms.
- Any disputes shall be resolved as per government procedures and laws.
